

## Unplugged Fishing Pole Activity:

### Materials:

1 - Stick, dowel, mini fishing pole

String

Magnets

Pages 2-4 of this document

Access to lamination

Kiddie Pool/Bucket/Tub

### Assembly:

“Fish”

Cut out each of the pictures and links below.

Laminate each of the cutouts.

Attach a magnet to each cutout (make sure charges are opposite of pole magnet)

“Pole”

If you have a real fishing pole attach a magnet to the end of the string

Otherwise tie the string to the end of the dowl.

Attach a magnet to the string (make sure charges are opposite of the cutouts)

“Pond”

Add all of the “fish” to the pond.

### Instructions:

Have each student take a turn “phishing” in the pond.

When they “catch” a “fish” have the student reel in their catch.

Once they reel it in, have the student remove the “fish” from the line.

Have the student show/explain to the class and explain why they think this “fish” is phishing or not.

Depending on the number of students, have the student release the “fish” back into the pond or have the student keep the “fish” in another bucket.

## NOT Phishing
